DOCUMENTS TO ATTACH TO THIS APPLICATION:

- Valid identity card photocopy;
 - Permit of stay copy for Non- European Union applicants;
 - Three copies of a map (clear and in the A3 format, possibly), featuring the size(s) of the occupying elements and the distance between these elements and the other permanent objects in the area requested, like trees, walls of buildings, traffic lights, Underground stations (MM) entries, newsagents. **WARNING: no satellite pictures, no Google Maps and no scrawls are accepted.**
 - Three copies of rendering, in order to see the impact of your occupancy on the spot.
 - A signed declaration that all elements used in the occupancy are safe for pedestrians and drivers;
 - In case you apply to occupy in a park, the request to extend the opening time of the park gates must be forwarded to Global Service tel. 0288467380 – fax 02/884 67431. A copy of the above mentioned request must be attached to this form;
 - Receipt of the payment of the charges for secretarial on post office account C/C n. 59897280.
-

WARNING:

Before applying you must indicate if the location chosen is a monumental place and so subjected to the Monuments and Fine Arts Office sphere of action. To help you see if the location you have chosen is considered a monumental area you can click on “Servizi on line” > Bandi e avvisi di gara/Pubblicazioni urbanistiche Piano Regolatore on line > Consulta il portale cartografico > Vai alla mappa”, then insert the name of the street and click on the icon “PRG”. This way you have found information on the location.

You must apply at least 30 days before the first day of occupancy, owing to art. 2 of Act 241/90 and following changes, however never before over 90 days;

A sum of money may be asked as a form of caution/insurance, to prevent any damage to the ground: instruction on how to proceed will be provided with, duly on time, before issuing the authorization to occupy;

The Milan City Council may ask other documents for specified reasons;

The communication of giving up, of not having the issued authorization implies the payment of a fine, consisting of 15% of the COSAP fee due amount, owing to art. 14 - comma 2 of the COSAP Regolamento. The fine is due also in case of renouncing of no-profit associations.

STREET CODE

Owing to art. 15: it is strictly forbidden to pay damage to the ground, the trees and the permanent elements of the area. It is strictly forbidden to change and to remove all road signals; it is forbidden to throw any kind of rubbish.

Owing to art. 20: it is allowed to occupy on the pavements, until the half of the width, if the occupying elements lay all along the buildings and that a 2 mt. corridor is set free for the pedestrians passage.

Owing to art. 21: the areas for men at work need to be marked, day and night, and the traffic must be kept safe.

OCCUPANCY IN PARKS AND GARDENS

Owing to art. 9 of the Regolamento del Verde: it is strictly forbidden to occupy on the grass and meadows; at the end of the occupancy, the area must be restored in the original state; whoever makes damage won't be permitted to occupy again the same area for the following 12 months.

The application must be presented at:

Servizio Occupazione Suolo – Sportello Informazioni e Protocollo – via Larga, 12 – first hall – ground floor.
Open to public: Mondays thru Thursdays: 9 am to 12 am.

Or at: Protocollo Generale – via Larga, 12 – ground floor; Open to public: Mondays thru Fridays: 8,30 am to 3,30 pm.

Information on Act: 193/2003 art. 13: your particulars will be digitally treated a) only for this process b= in order to make public our data, owing to Act 241/90.

Your data could be communicated to others on their demand, as their right of information and access data, in full respect of the current laws.

Providing with you data is peremptory, in case of refusal it won't be possible to deal with this application.
